

## **MEMORANDUM**

**TO:** Muskegon Lakeshore Chamber of Commerce Board of Directors

**FROM:** Cindy Larson, Chamber President

**DATE:** Thursday, September 12, 2013

**SUBJECT:** Work-Based Learning Program Endorsement

---

### **Recommended By:**

The following statement related to the Work-Based Learning Program at the Muskegon Area Career Tech Center is being recommended by Cindy Larsen, Chamber President to the MLCC Board for endorsement.

### **Proposed Position & Recommendation:**

The Muskegon Lakeshore Chamber of Commerce strongly endorses the Work-Based Learning program coordinated by the Muskegon Area Career Tech Center. The work based training program helps students develop relevant jobs skills that will benefit individuals and employers, thus building stronger companies and our local economy. It saves employers time and money normally spent on skill development and training programs. The Muskegon Lakeshore Chamber board encourages local business to participate in this program by hiring students involved in the program.

Endorsed by the MLCC Board of Directors – Thursday, September 12, 2013
