MEMBERSHIP INVESTMENT - You receive **more than 30 benefits with your membership** listed in the Member Kit. Your investment supports the mission, activities and infrastructure of the Chamber along with the support services for 10 other local business organizations. **Please choose one of the following investment levels:**

□ BASIC BUSINESS - \$305 / PICK 1 ADDITIONAL BENEFIT

These businesses are new or sole proprietors that are looking to make connections through networking and marketing. They benefit from affordable training programs and cost-saving products and services. These businesses typically employ one or two people.

□ SMALL GROWING BUSINESS - \$505/ PICK ADDITIONAL 2 BENEFITS

Small businesses stabilize and support our local economy! They are growing and looking to the future with optimism. They want to build their business with referrals, professional contacts, website exposure and up-to-the minute business resources and information. This group may employ up to 25.

□ ENTREPRENEUR - \$810/ PICK 3 ADDITIONAL BENEFITS

Entrepreneurs hold our community's future in their hands! They stay connected by attending events, taking advantage of business resources on the chamber website and learning the latest in business trends at affordable training programs. Entrepreneur employment numbers vary.

□ ESTABLISHED BUSINESS - \$1,275 / PICK 4 ADDITIONAL BENEFITS

With experience in their respective industries, established business members want information on the latest business trends. By building a professional network and client base, they network and enjoy web exposure. They get involved and support economic development and advocacy efforts. Employee numbers are up to or near 75 people.

□ FOUNDATION MEMBERSHIP - \$2,500 / PICK 7 ADDITIONAL BENEFITS

Foundation members give as often as they receive with their membership. Being community builders they are interested in advocacy and economic development services. Professional networking and learning from their peers are of great interest. Employee numbers may reach as many as 200 depending on the industry.
