Managers,

It is with great pleasure I introduce The Lakes Mall Assistant General Manager Julie Wagenmaker. Julie is a native of Muskegon and graduate of Orchard View High School. She has worked in the mall management office from 2009 -2010 in different capacities as a property accounts manager. In her role she maintained accounting procedures, assisted with event setups, rent and sales collection and assisted with leasing activity. Julie has also earned her cosmetology license where she has been a beauty technician for over 19 years and a licensed insurance agent for 4 years.

Julie has a son and a daughter and she is looking forward to getting married this September. Julie enjoys many outdoor activities especially golfing, playing with her two dogs and spending time with her family. We are excited to have Julie apart of our management team. She brings a plethora of job experience and excitement to the job. We look forward to her contributions and fresh ideas to improve the malls retail mix and customer experience.

Please help in welcoming Julie to the mall as the new Assistant General Manager.

**Jonathan Pittman** | General Manager  
Namdar Realty Group LLC.
